

AUSTRIA CUP 2013 A GREAT SUCCESS AT LUGAR CITY

Austrian Bodybuilding and Physique Sports Federation under the dynamic leadership of Axel Bauer (President) and his Secretary Mustafa Mohammad had a great championships at the Austrian Cup on 2nd November 2013 in Vienna at LUGAR CITY MALL, one of the top malls in Vienna.

It was the idea of Axel to hold the competition at a Mall to reach out to more people who do not understand much about our sport. It was a big success that will have to be continued; next year the ABPF shall be organizing two contests at Lugar City. Mr. Lugar a very wealthy business man and an international celebrity in German speaking countries was very happy with the outcome and will support ABPF in future.
